Online Safety

How Online-Safety Savvy Are You?

Keeping children safe online can sometimes feel difficult, especially as apps, games and online trends change so quickly. The NSPCC has created a short Online Safety Quiz for parents and carers to test your knowledge and share some useful tips along the way.

Why not have a go and see how much you know? It only takes a few minutes and is a great way to pick up some practical advice to help keep your child safe online.

Take the NSPCC Online Safety Quiz: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/quiz/>
