ONLINE SAFETY

Telegram is a popular alternative to the likes of WhatsApp. Telegram's robust encryption, sadly, all too often encourages the app's use as a conduit for extremist political material and illegal sexual content. The guide this week brings trusted adults the lowdown on Telegram.

[In this guide](#) you'll find tips on a number of potential risks including a lack of age verification, inappropriate content and cyber-bullying.

THE PRIDE OF BROOKDALE

This week, our Year 6 pupils have completed their SATs tests in Grammar Punctuation and Spelling, Reading and Mathematics. The children have taken tests every day this week (on some days more than one) and have shown amazing determination and resilience - all with smiles on their faces.

The staff and I could not be prouder of all that they have achieved this year and throughout their whole time at Brookdale. We look forward to the next few weeks during which time we will be having fun celebrating their time with us and looking forward to the next chapter of their education in their high schools. Well done, Year 6—the whole Brookdale family are proud of you!

Our activity clubs offer a range of short breaks for children and young people 6- 18yrs who have a diagnosis of ASD, are in the process of being diagnosed with ASD, and who have a social and communication difficulty.

They are designed to:

- develop a child/young person's self-confidence and social skills enabling them to interact with others.
- offer the child/young person a positive enjoyable experience with experienced, qualified staff, with young people of a similar age and needs.
- build on the development of the child/young persons independence skills.
- provide the opportunity for disabled children to participate in recreational activities; including a wide range covering sports, arts, play and life skills.

Unfortunately, due to the nature of the activities we offer and the level of staffing ratio we are able to provide, we are unable to support children who have complex or medical needs, or who may require personal care.

Welcome to Autism Together Children and Family services activity clubs

- Do you like gaming and games? We play Nintendo switch, Minecraft, MarioKart, Uno, Double
- Do you like art & crafts? We like painting, collage, slime, oobleck/gloop and jewellery making
- Do you like cooking? We make pizza, cookies, smoothies, cakes
- Do you like animals? We have alpacas, goats, pigs, rabbits and guinea pigs

Then come and join us at our activity clubs!
