## ONLINE SAFETY

Many experiences that young people have on the internet are hugely positive and uplifting ... but sadly, that's not always the case. Negative incidents online – such as disagreements with other users, stumbling across upsetting content or feeling left out by friends – can be damaging to a child's emotional state. [This guide](#) has some useful tips for young people and trusted adults on how even small, simple actions can help to protect our wellbeing when we're on the internet.

## BROOKDALE SPORTS DAY

On Monday, we enjoyed an afternoon in the sun on the school field for our whole school Sports Day. It was lovely to have the whole school together and for Pre School to run their very first race! All the children displayed excellent teamwork and resilience; the winning house (Vikings) was announced in this Friday's assembly where the winners' medals from each race were also awarded. It was great to have so many of our parents and families in attendance and even better to have some of them join in on the adult events! Well done, everyone.

Working in Junior and Senior age groups, we will be freshening things up and introducing Harry Potter, Heathers, Back To The Future, Matilda, and Lyle Lyle Crocodile.

As always you can expect a few surprises thrown in, especially Disney!

Anyone that attends the Summer School will be invited to appear in 'The Musicals In Concert' Gala performance in August 2023 - sharing the stage with stars from London's West End.

To register just head over to the Stage-Ed website where you can find more details on the holiday school page.
