ONLINE SAFETY

With the school summer holidays only a matter of days away, many families will already be planning outings and activities to keep the children entertained. In between those moments, though, there are also likely to be occasions when children happily invest a whole afternoon in Among Us or spend most of their Monday on Minecraft. [This free guide](#) can help young people to stay safer online over summer by (among other things) recognising fake news, sharing uplifting content and thinking before they post.

FUN ON HILBRE ISLAND

On Thursday, as part of their work on coastlines, our Year 2 pupils enjoyed a day on Hilbre Island. The weather was (mostly!) very kind to them and they all enjoyed a fantastic day of both learning and fun. Well done, Year 2!

YEAR 4's ADVENTURE IN BURWARDSLEY

Our amazing Year 4 team spent a wonderful two days at the Outdoor Education Centre in Burwardsley for their residential trip this week. They have enjoyed activities including bush craft, fire-building and den-building as well as learning independence skills like stripping their own beds and cleaning up after dinner!

The children have been a real credit to our school, showing themselves to be well-mannered and resilient individuals who displayed all our school values throughout the trip and received many compliments from the centre staff and instructors about their attitude. They have all faced fears from fear of fire to fear of sleeping away from home but they have all conquered them and come home smiling—if not a little sleepy. Thanks to the staff, Mr Jones, Miss Prandle and Mr Sanderson, for giving up their own time to give our children such a wonderful experience. Well done, everyone!
