## Online Safety

Using SnapChat, images and videos can be shared with specific friends, or as a 'story' (documenting the previous 24 hours) which is visible to a person's entire friend list. The app continues to develop features to engage an even larger audience and emulate current trends, rivalling platforms such as TikTok and Instagram. In [this guide](#), you'll find tips on avoiding potential risks such as sexting, visible location and contact from strangers.

## Brookdale's Cross Country Champs!

Mr Sanderson and our dedicated KS2 Cross Country Team were delighted to be awarded this wonderful award this afternoon. The trophy celebrates Brookdale's participation in the Cross Country Season this year, being the school with the greatest number of participants across the whole of the Wirral. Well done, #TeamBrookdale and thank you to Mr Sanderson for all your hard work with the team!

## Children in Need

To mark, and help raise money for, Children in Need today, we completed the Children in Need 2023: Joe Wicks Burpee (Bearpee) Challenge at school.

As a school we completed over 10,000 'bear'pees and raised over £300!

Staff and children enjoyed challenging themselves (and each other!) and we put together this fantastic video which we enjoyed watching in assembly this afternoon.

Thank you so much for your support and to Miss Fletcher for organising such a fun event!
