

# School Council

## Mission 2023-24

- Work as a team with our school community.
- Listen to our classmates and share their ideas and concerns so that everyone can help make our school an even better place than it is now.
- Help everyone feel happy, safe and valued.
- Help improve our school grounds, resources and learning spaces.
- Help everyone enjoy their time in school through different experiences responsibilities and ensure each individual recognises their own importance.
- Promote and encourage fun, friendship and well-being.
- Raise awareness of issues that affect the wider world we are part of.
- Support local, national and international charities.
