

Being a member of Brookdale Primary School

I will be the best school councillor I can be by:

- Being a **good listener** when other children tell me their ideas or problems
 - Telling the Council something on **behalf of someone else**
 - Sharing my **good ideas** and **making suggestions**
 - Helping to make our school a **safe and happy place**
- **Reporting back** to the children in my class so that they know what we talked about in our meetings
 - **Sharing** our work with teachers, governors and parents
- Being an amazing **representative** of our school and always **demonstrating our school values**

Together we Believe, Progress, Succeed
