Online Safety

According to Ofcom, 49% of children use phones for online gaming.

Given that Santa's recent visit is likely to have bestowed smartphones on an even greater number of young people, it's a particularly opportune moment to ensure that children are able to use their phones responsibly – and, above all, safely. From passcodes to parental controls, and from screen time to scams, [this guide](#) has the essential advice.

I have received a message from Dane Housing, the company responsible for the housing in Norwood and Gordon Courts, as follows:

“We have received reports of parents using our private car park between Norwood and Gordon Court when collecting/dropping off children at the school.

We would be grateful if you could please arrange to address this with parents and ask they do not park on the private land surrounding the school.”

I would be so grateful if parents could support the school and help us to avoid receiving these regular complaints by parking safely and respectfully of our neighbours: not using private car parks or blocking access or driveways.

Many thanks as always for your support in making our school a respected and valued part of the Greasby Community.
