Online Safety

Among Us has become one of the gaming world's biggest breakout hits of recent years. Its simplicity helped Among Us to resonate with younger players in particular: the game's second largest audience slice is the 13–18 age bracket.

While the 7+ age rating, emphasis on teamwork and cartoonish, colourful graphics all suit a young fan-base, the game does carry more serious risks such as in-game purchases and possible contact from strangers. Our guide includes a list of hazards that trusted adults should bear in mind.

Club Author Day at Anfield

A team of Year 3 and 4 children represented Brookdale yesterday at Liverpool Football Club for their Club Author day. They took part in a range of activities including: meeting author Vanessa Taylor who read a few pages of her new book and told them all about her career so far; writing their own stories about the adventures of Mighty Red (a club mascot) and enjoying a tour of the home team changing room where they saw their favourite players' shirts and met the famous Mighty Red in person! The children were superb representatives for Brookdale and our school values.

Brookdale in the Community

Have you spotted the second (Caulfield Drive) Brookdale phone box installation outside the shops? Do take a look if not!

Thanks go to Miss Prandle and Mrs Jones and our talented children: every pupil has contributed in some way to this amazing display which celebrates everything that is special about the Greasby community.

The displays will be up for a further week so make sure you pop to see them if you can!
