Online Safety

The online world gives us access to a huge amount of information and services, but the scale of information available also means that there is content that is inappropriate for children. What is or isn't appropriate is up to individual parents and carers to decide, and could be based on things like age, ability, beliefs and family values.

Parental controls allow you to block and filter upsetting or inappropriate content. They work across your WiFi, phone network, individual apps and devices.

[This information from the NSPCC](#) helps parents to ensure they have the correct protection in place.

Awards

As tomorrow is an INSET day (Friday 24th May) we were not able to have a celebration assembly. This means that no awards have been given for this week.

Year 5/6 Athletics

On Tuesday, a group of our Year 5 and 6 children spent the morning at Activity for All taking part in an athletics festival. Not only did they have fun but they represented our school fantastically, demonstrating the school values of #teamwork, #respect and #determination.

Attendance

Good attendance at school is very important. If you are not here, you can't learn! We always aim to have an attendance percentage of 100%!

The table below shows you the attendance percentage this week:

F2	96.4
Year 1	92.5
Year 2	98.7
Year 3	91.1
Year 4	95.4
Year 5	92.5
Year 6	91.1
Whole School	93.9

Sports Day

Our Sports afternoon on Monday went without a hitch, the spectator turn out was great and the weather was even kind to us! The children showed excellent sportsmanship and teamwork as well as enjoying their afternoon of sport. Thank you to the PTA for providing the refreshments, Mr Jones, Mr Sanderson and the Year 6 Ambassadors for organising the event and to the brave grown ups who took part in the adult races - fantastic role models for our children!

Local History Project

Our classes have been out and about in Greasby this week, completing research for their part of our local history project. Remember to come along and see the culmination of this work on **Friday 7th June at 3.15pm**. More details about the project can be found on [page 2 of last week's Bulletin](#).
