## Online Safety

The internet has transformed our ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net.

[In this guide](#), you'll find tips on a number of potential risks such as age inappropriate content, privacy issues and mental health.

## This Week's Curriculum Mornings

The Year 5 and Year 6 Curriculum Mornings have been extremely well attended this week; a huge thank you to all the staff who worked so hard to prepare useful materials and to so many parents for taking the time to attend. If you were not able to attend, please don't worry. Your child's class teacher will add the presentation to the class page on the school website and we will also share an audio recording of the main presentation so that you do not miss any important information.

## PTA - AGM INVITE

The annual general meeting of the PTA will take place on **Friday 11th October** at **9am** at the school. This is a great opportunity for you to find out more about the work of the PTA ask questions and make suggestions for future projects and events. Any families are welcome to attend. Please notify the school office if you wish to attend the meeting so that we can organise a large enough meeting space on the day! Hope to see you there!

## Keeping Children Health this School Year

With children getting back into the classroom, now is a good time for parents to familiarise themselves with some of the common illnesses that could disrupt children's learning or even cause more serious illness during the colder months.

[This blog post](#) covers some of the seasonal illnesses that tend to peak during winter, as well as steps you can take now and throughout the coming term to help protect your family, including from cold weather. It explores available vaccinations, how to recognise symptoms of common illnesses, and how to make informed decisions on whether your child is well enough to attend school.

Can you help our PTA by shopping in ASDA? Parentkind – the charity that supports school PTAs - have teamed up with Asda, who are making millions of pounds available to donate to primary schools across the UK through their 'Cashpot for Schools' initiative.

All you have to do is, opt in through the Asda Rewards app. Go to Cashpots in the app then select the Cash for Schools option and then choose Brookdale - our post-code is CH49 1SE.

When you shop and scan in-store or shop online at Asda.com, Asda will donate 0.5% of the value of your shop to our school. Also, every time somebody opts in, Asda will give an additional £1 to the school Cashpot. **We have raised £118 already!**

All money raised will be donated to our PTA to spend on the things our school needs the most.
