Year 4 Musicians

Our Year 4 children are enjoying the opportunity to learn the Ukulele this term with a specialist teacher from EdSential who visits every Friday afternoon to teach the whole class. They are getting really good already and there will be the chance for families to come and watch them perform at the end of this term!

Year 3 Artists

This term, Year 3 have been exploring cave paintings in Art. This week, they worked on their final cave painted pieces, looking at positive and negative images using hand prints and exploring different cave painting designs for their own cave walls.

Can you help our PTA by shopping in ASDA? Parentkind – the charity that supports school PTAs - have teamed up with Asda, who are making millions of pounds available to donate to primary schools across the UK through their 'Cashpot for Schools' initiative.

All you have to do is, opt in through the Asda Rewards app. Go to Cashpots in the app then select the Cash for Schools option and then choose Brookdale - our post-code is CH49 1SE.

When you shop and scan in-store or shop online at Asda.com, Asda will donate 0.5% of the value of your shop to our school. Also, every time somebody opts in, Asda will give an additional £1 to the school Cashpot. **We have raised £204 already!**

All money raised will be donated to our PTA to spend on the things our school needs the most.

Nasal flu vaccine for 2 to 16 year olds (year 11)

Speak to the team on **0151 514 2510**

This term, children in F2 to Year 6 will be offered the nasal flu vaccine at school on **12th November**

This will be administered by the Wirral 0-19 Immunisation Team.

No child will be vaccinated without parental permission which you can give by clicking here: <https://www.wchcimms.co.uk/Forms/Flu>

Our school code is WC105028

flu: 5 reasons to vaccinate your child

- 1. Protect your child**
The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia
- 2. Protect you, your family and friends**
Vaccinating your child will help protect more vulnerable friends and family
- 3. No injection needed**
The nasal spray is painless and easy to have
- 4. It's better than having flu**
The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record
- 5. Avoid costs**
If your child gets flu, you may have to take time off work or arrange alternative childcare

Most children have the nasal spray vaccine which is the preferred vaccine. A vaccine injection is also available which does not contain gelatine from pigs (porcine gelatine).
