Welcome Back

Happy New Year! I hope you all had a restful break with your families. It's wonderful to see everyone back, and we are excited to begin 2025 with renewed energy and enthusiasm.

Firstly, I want to extend my apologies for the disruption caused by the snow and ice this week. We appreciate your patience and understanding as we navigated these challenges to ensure the safety of our children, families and staff. Despite the icy start, we are committed to making this term productive and enjoyable for everyone!

We are looking forward to a year filled with happiness, progress, and success for all our children and have many exciting activities and learning opportunities planned. Thank you for your continued support. Let's make 2025 a fantastic year together!

Online Safety

The [5Rights Twisted Toy campaign](#) is an initiative aimed at raising awareness about online safety for children. It highlights the risks of certain digital services and apps that are designed to appear fun and harmless, much like toys, but can actually collect personal data or expose children to inappropriate content. The campaign encourages parents, educators, and children to be more vigilant about the apps and games they use, promoting safer and more responsible online experiences. By understanding the hidden dangers, families can make more informed choices and help protect children's privacy and well-being in the digital world.

Ukulele Magic

Under the guidance of Rosie from the EdSential Music Service, our young musicians have been learning to play the ukulele. Their hard work culminated this afternoon in a delightful performance that left everyone tapping their feet and humming, dancing or singing along!

Rosie has been visiting our school weekly, bringing her expertise and enthusiasm to each session. The children have not only learned to play various songs but have also gained a deeper understanding music. Their performance showcased the skills they've developed, from strumming techniques to rhythm and timing.

We are proud of our Year 4 children for their hard work. A big thank you to Rosie and the EdSential Music Service for this enriching experience possible.

Calling the whole family!!!

Come join us for some 'bricktastic' fun with mountains of Lego and Duplo, Bible stories, singing, prayers, a mega challenge and, of course, tea time snacks too.
