Online Safety

The new Netflix drama Adolescence has raised serious concerns about online safety, highlighting risks that young people may face in the digital world. One emerging issue is the use of seemingly innocent emojis to communicate harmful or risky behavior.

To help parents stay informed, Wirral Safeguarding Children Partnership has produced a guide to harmful emojis and their hidden meanings. Understanding these symbols can help you better protect your child online. [Access the guide here](#)

Jasmine Wins Silver at Nationals!

We are incredibly proud to share some exciting sports news! Late last year, our very own Jasmine qualified for the National Schools Biathlon Championships, earning a place among the top young athletes in the country. The final took place yesterday at Bath University, where Jasmine competed against 73 other Year 6 girls from schools across the nation.

She gave a fantastic performance in both the running and swimming events, finishing in an outstanding second place! Jasmine secured the silver medal, just missing out on gold by a mere 9 points—an amazing achievement!

Jasmine's dedication and hard work truly represent the spirit of our school, and we couldn't be prouder. A huge congratulations to her for this incredible success!

Cross Country at Arrowe Park

This Monday, our KS2 cross-country team had the opportunity to represent our school at Arrowe Park as part of the Wirral Schools Cross Country Programme. The event was a great chance for our runners to showcase their determination, teamwork, and school spirit. Everyone gave their best effort, tackling the course with enthusiasm and perseverance.

A huge well done to everyone who took part – you were brilliant ambassadors for our school! We look forward to the next race—keep running, team!

Budding Poets Shine at Trust Event !

On Wednesday, six of our Key Stage 2 children had an exciting opportunity to visit Tyldesley Rugby Club for a special poetry event hosted by the Leading Learners Trust. The children took part in a fantastic workshop led by real poet Ray Bland, where they explored creative ways to express themselves through poetry. They also joined in fun oracy games that helped build confidence in speaking and performing.

One of the highlights of the day was sharing their own poems in front of children and staff from ten other schools in the trust. Alongside developing their poetry skills, our pupils made new friends from other schools, making the day even more memorable. We are so proud of their enthusiasm and creativity—well done to all who took part!

Year 2 & 3 Explore Liverpool!

This Wednesday, our Year 2 and Year 3 children had an exciting trip to Liverpool! The adventure began when the Liverpool City Tour bus collected them from school. With the help of a knowledgeable tour guide, the children played an eye-spy game, spotting all the famous landmarks that Year 2 has been learning about this year.

Their next stop was the World Museum: Year 2 took a journey through space during a special workshop in the planetarium, while Year 3 explored the wonders of Ancient Egypt in an interactive session led by museum staff.

We are so proud of how well our children represented our school. Their excellent behaviour was even praised by museum staff and members of the public! Well done, Year 2 and Year 3, for a fantastic day of fun, learning and discovery.
