PUMPKIN FUN IN EARLY YEARS

Last week, the children engaged in process art by using pipettes to apply paint to pumpkins. They explored what happened to the paint on the curved surface, 1 child described it as 'looking like a volcano'. As well as developing fine motor skills, the children experienced colour mixing, working together and also expanded their descriptive language. Afterwards, they were able to clean them in the water with toothbrushes and sponges, then start all over again!

ANTI BULLYING AT BROOKDALE

This week has been Anti Bullying week at school. Every class has spent some time discussing bullying and how to manage it if it happens to us. We reviewed our school's Child-Friendly Anti Bullying Policy that was written by our School Council last year and, as part of Kindness Month, discussed how we can use kindness to combat bullying. You can view our policy [here](#) for more information.
