If you have contacted the SENCo did you feel reassured. Are you happy with the steps in place. Please leave any comments in the box 10 responses

100% Miss Hubbard is amazing
Yes. The whole school have been very supportive of my son. I never have to wait too long for a response and I have always found support put in place to be very thorough.
Miss H has gone above and beyond for Taylor and us as a family.
Extremely , they have changed our lives
Yes, ongoing with my son and awaiting assessment results but initial communication has been good.
I certainly did
Thank you so much for all your support we are truly grateful.
Very happy with all the steps and information given to me. Couldn't ask for better.
Yes Miss Hubbard works hard to put many things in place to support my daughter
Mrs Hubbard has been so supportive to me and my son can't thank her enough

Do you feel your child is being supported in an appropriate way?

Brookdale school senco has been fantastic. Everything is done quickly & very efficiently. Would like to take her with us for the rest of our sons educational future.

Miss Hubbard is amazing at her job and completely top her game, Isaac is my third child and we have never had a teacher as good as Lucy Hubbard

Miss Hubbard is an absolute asset to Brookdale

I have been happy with the Senco leaders assistance. She has gone above and beyond. I feel the extra support is lacking at the minute through the school

I feel Dexter could be at the beginning stage of his support with Miss Hubbard. I could answer more accurately after we have received the results of his assessment and any support has been implemented. Initial communication has been good, assessments were actioned as promised and Miss Hubbard gave me her email address and has contacted me over the phone as well.

While Miss Hubbard is brilliant it is often the TA's who support the children with their everyday needs and some of them could do with some extra learning to be able to offer that support in the best way. In the past we have had a great struggle to make our daughters needs known and ensure they are met without constant asking.
